Important Questions	Answers			Why This Matters:
What is the overall deductible ?	Tier I WHHS/WTMF* None	Tier II Blue Shield Preferred PPO Network Provider <i>Per Calendar Year</i> \$750/Individual \$1,500/Family	Tier III Non-Preferred Network Provider <i>Per Calendar Year</i> \$3,000/Individual \$6,000/Family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes. Preventive care screening , office visit for pregnancy, and Teladoc and Tier II/Tier III Emergency room care and Emergency Medical Transportation .			The plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply.
Are there other deductibles for specific services?	No.			You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	Tier I WHHS/WTMF* <i>Per Calendar Year</i> \$500/Individual \$1,000/Family	Tier II Blue Shield Preferred PPO Network Provider <i>Per Calendar Year</i> \$2,500/Individual \$5,000/Family	Tier III Non-Preferred Network Provider <i>Per Calendar Year</i> \$6,000/Individual \$12,000/Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.

Important Questions	Answers	Why This Matters:
What is not included in the out-of-pocket limit ?	Premiums , balance-billing charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. *WTMF Value Providers can be found on the HR Intranet Website (Please note that the coinsurance waiver is applicable to the specific physician, not the clinic site) See www.healthcomp.com or call 1-833-549-2899 for a list of Tier II Blue Shield Preferred PPO Network providers .	You pay the least if you use a WHHS/WTMF provider . You pay more if you use a Tier II Blue Shield Preferred PPO Network provider . You will pay the most if you use a Tier III non-preferred provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your Tier II provider might use a Tier III non-preferred provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
